# Swipe & Learn Laptop

VTech understands that a child's needs and abilities change as they grow and with that in mind we develop our toys to teach and entertain at just the right level...

## Electronic Learning Computers

Cool, aspirational and inspiring computers for curriculum related learning

## Pre-School

Interactive toys to develop their imagination and encourage language development

### I need...

...challenging activities that can keep pace with my growing mind

...intelligent technology that adapts to my level of learning

...National Curriculum based content to support what I'm learning at school

## vtech Baby

Toys that will stimulate their interest in different textures, sounds and colours

### I want...

...to get ready for school by starting to learn the alphabet and counting

...my learning to be as fun, easy and exciting as can be

...to show my creativity with drawing and music so my whole brain develops

### I am...

...responding to colours, sounds and textures

...understanding cause and effect

...learning to touch, reach, grasp, sit-up, crawl and toddle

4-10 years

3-6 years

Birth-36 months

- One **VTech® Swipe & Learn Laptop**
- Quick Start Guide

**WARNING**
All packing materials such as tape, plastic sheets, packaging locks, removable tags, cable ties, cords and packaging screws are not part of this toy and should be discarded for your child's safety.

**NOTE**
Please save this Instruction Manual as it contains important information.
## Unlock the packaging locks:

① Rotate the packaging lock 90 degrees anticlockwise.

② Pull out the packaging lock.

# GETTING STARTED

## BATTERY REMOVAL AND INSTALLATION

1. Make sure the unit is turned **OFF**.

2. Locate the battery cover on the back of the unit. Use a screwdriver to loosen the screw.Then, open the cover.

3. If used or spent batteries are present, remove these batteries from the unit by pulling up on one end of each battery.

4. Install 3 new AA (AM-3/LR6) batteries following the diagram inside the battery box. (The use of new alkaline batteries is recommended for maximum performance).

5. Replace the battery cover and tighten the screw to secure the battery cover.

## WARNING:

Adult assembly required for battery installation.

Keep batteries out of reach of children.

## IMPORTANT: BATTERY INFORMATION

- Insert batteries with the correct polarity (+ and -).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Do not short-circuit the supply terminals.
- Remove batteries during long periods of non-use.
- Remove exhausted batteries from the toy.
- Dispose of batteries safely. Do not dispose of batteries in fire.

**RECHARGEABLE BATTERIES:**

- Remove rechargeable batteries (if removable) from toy before charging.
- Rechargeable batteries are only to be charged under adult supervision.
- Do not charge non-rechargeable batteries.

## Disposal of batteries and product

The crossed-out wheelie bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in the Batteries and Accumulators Regulation.

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Please dispose of your product and batteries responsibly.

In the UK, give this toy a second life by disposing of it at a small electricals collection point* so all of its materials can be recycled.

Song 1: Learning new things - one, two, three.
There's so much to do and see.
Numbers, letters and objects too.
We can't wait to learn with you!

Song 2: We love to sing together,
in any kind of weather.
We dance and play our music,
and you can sing along.

# CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries if the unit will not be in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

# TROUBLESHOOTING

If for some reason the unit stops working, please follow these steps:

1. Please turn the unit **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **ON**. The unit should now be ready to use again.
5. If the product still does not work, install a brand new set of batteries.

If the problem persists, please contact our Consumer Services Department, and a service representative will be happy to help you.

# CONSUMER SERVICES

Creating and developing **VTech**® products is accompanied by a responsibility that we at **VTech**® take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department with any problems and/or suggestions that you might have. A service representative will be happy to help you.
