- ② Pull out the packing locks

GETTING STARTED

Battery Removal and Installation

1. Make sure the unit is turned **OFF**.
2. Locate the battery cover on the bottom of the unit. Use a coin or a screwdriver to loosen the screw.
3. Install 2 new AA (AM-3/LR6) batteries following the diagram inside the battery box. (The use of new alkaline batteries is recommended for maximum performance.)
4. Replace the battery cover and tighten the screw to secure.

WARNING:

Adult assembly required for battery installation. Keep batteries out of reach of children.

IMPORTANT: BATTERY INFORMATION

- Insert batteries with the correct polarity (+ and -).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Do not short-circuit the supply terminals.
- Remove batteries during long periods of non-use.
- Remove exhausted batteries from the toy.
- Dispose of batteries safely. Do not dispose of batteries in fire.

RECHARGEABLE BATTERIES:

- Remove rechargeable batteries from the toy before charging.
- Rechargeable batteries are only to be charged under adult supervision.
- Do not charge non-rechargeable batteries.

Disposal of batteries and product

The crossed-out wheellie bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in the Batteries and Accumulators Regulation.

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Help protect the environment by disposing of your product or batteries responsibly.

VTech® cares for the planet.

Care for the environment and give your toy a second life by disposing of it at a small electricals collection point so all its materials can be recycled.

In the UK:

Visit www.recyclenow.com to see a list of collection points near you.

In Australia & New Zealand:

Check with your local council for kerbside collections.

ASSEMBLY INSTRUCTIONS

1. Place the unit inside the cot.
2. Loop the cot attachment strap around the nearest spindle and slide it under the slot on the back of the unit, pulling to secure.
3. Once the cot attachment strap is securely fastened, please tie the three strings to the cot rail and the closest spindle. Pull slightly on the unit to make sure the strap and the three strings have been securely fastened. The unit should be snug against the cot rail. Please check the unit frequently to ensure it is still secure.
4. To remove the unit from the cot, untie the three strings, then hold down the square button near the cot attachment strap and pull the strap out of the slot.
5. When the unit is being used outside of the cot as a floor toy, please make sure the cot attachment strap is clipped into the back of the unit.

PRODUCT FEATURES

1. On/Off/Volume Control Switch

To turn the unit **On**, slide the **On/Off/Volume Control Switch** to the **Low Volume** () or **High Volume** () position. To turn the unit **Off**, slide the **On/Off/Volume Control Switch** to the **Off** () position.

2. AUTOMATIC SHUT-OFF

To preserve battery life, the **VTech® Play & Dream Kicking Piano** will automatically power-down after approximately 39 seconds without input in the learning mode and 32 seconds without input in the music mode. The unit can be turned on again by pressing any button.

NOTE

If the unit repeatedly powers down during playing, please install a new set of batteries.

ACTIVITIES

1. Slide the **On/Off/Volume Control Switch** to turn the unit on. You will hear a song, a phrase and a short tune. The lights will flash with the sounds.

2. Press the **Piano Buttons** in learning mode to hear animal names, instrument names, instrument sounds and songs. In music mode you will hear piano notes, short tunes or animal sounds. The lights will flash with the sounds.

- Slide the **Owl** or press the **Rabbit** to hear fun sounds and playful phrases in learning mode. In music mode, you will hear music play for 15 minutes. While the melodies are playing, press the piano keys to hear fun sounds play over the melody. Press the roller ball to interrupt the melodies. The lights will flash with the sounds.
- Spin the **Roller Ball** in learning mode to hear fun sounds, counting phrases or a song. In music mode you will hear short tunes or fun sounds. The lights will flash with the sounds.

18. Wheels on the Bus
19. Goosey Goosey Gander
20. Jack and Jill

SONG LIST

SONG 1

Friends and pals come gather round,
Sing and dance and laugh away.
Friends and pals let's make some sounds,
Have some fun and make some tunes - Hooray!

SONG 2

Cow plays guitar, strumming it to and fro.

SONG 3

Playful dog bangs on his drum,
Crash, boom, bash,
Crash, boom, bash,
Playful dog bangs on his drum,
Join him now

SONG 4

Cute little cat, taps on the keys,
Plays her xylophone,
As we sing.

SONG 5

Little fox toots his trumpet with a blast,
Hear those melodies loud and fast!

SONG 6

Caterpillar rattles the maracas with a shake,
Shake shake without a break!

SONG 6

Let's play music now,
Let's play tunes together,
Tap, tap on the keys,
Music fun all day long!

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the batteries when the unit will not be in use for an extended period of time.
4. Do not drop the unit on hard surfaces.

TROUBLESHOOTING

If for some reason the unit stops working or malfunctions, please follow these steps:

1. Please turn the unit **Off**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit sit for a few minutes, then replace the batteries.
4. Turn the unit **On**. The unit should now be ready to play with again.
5. If the unit still does not work, install a new set of batteries.
