Instruction Manual

Roar & Explore Wheel

VTech understands that a child's needs and abilities change as they grow and with that in mind we develop our toys to teach and entertain at just the right level...

vtech Baby

Toys that will stimulate their interest in different textures, sounds and colours

I am...

...responding to colours, sounds and textures

...understanding cause and effect

...learning to touch, reach, grasp, sit-up, crawl and toddle

Birth-36 months

Pre-School

Interactive toys to develop their imagination and encourage language development

I want...

...to get ready for school by starting to learn the alphabet and counting

...my learning to be as fun, easy and exciting as can be

...to show my creativity with drawing and music so my whole brain develops

3-6 years

Electronic Learning Computers

Cool, aspirational and inspiring computers for curriculum related learning

I need...

...challenging activities that can keep pace with my growing mind

...intelligent technology that adapts to my level of learning

...National Curriculum based content to support what I'm learning at school

4-10 years

- Quick Start Guide

WARNING

All packing materials, such as tape, plastic sheets, packaging locks, removable tags, cable ties, cords and packaging screws are not part of this toy, and should be discarded for your child's safety.

NOTE

Please keep this Instruction Manuals as it contains important information.

WARNING

Remove product from the Infant Carrier when the vehicle is moving.

Removing the Packaging Locks:

- ① Rotate the packaging locks anticlockwise 90 degrees.
- ② Pull out the packaging locks and discard.

GETTING STARTED

Battery Removal and Installation

1. Make sure the unit is turned **Off**.
2. Locate the battery cover on the back of the steering wheel. Use a screwdriver to loosen the screw and then open the battery cover.
3. Remove old batteries by pulling up on one side of each battery.
4. Install 2 new AAA batteries following the diagram inside the battery box.
5. Replace the battery cover and tighten the screw to secure.

IMPORTANT: BATTERY INFORMATION

- Insert batteries with the correct polarity (+ and -).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Do not short-circuit the supply terminals.
- Remove batteries during long periods of non-use.
- Remove exhausted batteries from the toy.
- Dispose of batteries safely. Do not dispose of batteries in fire.

RECHARGEABLE BATTERIES:

- Remove rechargeable batteries from the toy before charging.
- Rechargeable batteries are only to be charged under adult supervision.
- Do not charge non-rechargeable batteries.

Disposal of batteries and product

The crossed-out wheelee bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in the Batteries and Accumulators Regulation.

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Please dispose of your product and batteries responsibly.

 In the UK, give this toy a second life by disposing of it at a small electricals collection point* so all of its materials can be recycled.

Learn more at:

www.vtech.co.uk/recycle

www.vtech.com.au/sustainability

* Visit www.recyclenow.com to see a list of collection points near you.

WARNING:

Adult assembly required for battery installation.

Keep batteries out of reach of children.

CAUTION:

Adult assembly required. For your child's safety, do not let them play with this toy until it is fully assembled.

PRODUCT FEATURES

1. On/Off/Volume Switch

To turn the unit **On**, slide the **On/Off/Volume Switch** to the Low volume  or the High volume  position. You will hear a song, a phrase and a short tune. To turn the unit **Off**, slide the **On/Off/Volume Switch** to the Off  position.

2. Infant Carrier/ Pushchair Attachment

The **Roar & Explore Wheel** can be attached to a Infant Carrier or pushchair bar. To do so, wrap the elastic loop around the bar and secure the hook and loop closure on the strap.

3. Automatic Shut-Off

To preserve battery life, the **Roar & Explore Wheel** will automatically shut off after approximately 30 seconds without input. The unit can be turned on again by pressing any button.

NOTE

If the unit powers down or if the light fades out during play, please install a new set of batteries.

ACTIVITIES

1. Lion Button

Press the interactive **Lion Button** to hear fun songs, phrases, sounds and music. The lights will flash with the sound.

2. Light Up Indicator Buttons

Press the **Light Up Indicator Buttons** to hear playful sounds. The lights will flash with the sound.

3. Car Button

Press the **Car Button** to hear car engine sounds and playful phrases. The lights will flash with the sound.

4. Steering Wheel

Turn the **Steering Wheel** to trigger the motion sensor and hear an assortment of fun sounds and music. The light will flash with the sound.

7. Three Little Kittens
8. Take Me Out to the Ball Game
9. London Bridge
10. Pat-a-Cake

SONG LYRICS

Song 1

Vroom, Vroom! Twist and spin!
Vroom, Vroom! Turn and shake!
Vroom, Vroom! Woo hoo!
Let's go on an adventure!

Song 2

Roar, roar,
Let's go for a drive,
Beep, beep, beep,
Wave and say hello!

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries if the unit will not be in use for an extended period of time.

4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the program/activity stops working or malfunctions, please follow these steps:

1. Please turn the unit **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **ON**. The unit should now be ready to play with again.
5. If the product still does not work, install a brand new set of batteries.

If the problem persists, please contact our Consumer Services Department and a service representative will be happy to help you
