ASSEMBLY INSTRUCTIONS

With the **Toot-Toot Drivers® Fire Station + Toot-Toot Drivers® Police Station** and **connecting tracks**, safety comes first. To ensure your child's safety, adult assembly is required.

1. After assembling the **Police Station** and the **Fire Station** according to the instructions included in each box, please connect the **4 pieces of track** as shown below.

2. Then connect the assembled track with the **Police Station** and **Fire Station** as shown below.

Once you've completed the above steps, you are ready to play!
