Dear Parent,

At **VTech**®, we know how much you enjoy staying on top of the hottest trends and having the most high-tech gadgets around. We also know that your children feel the same way. With that in mind, we developed **InnoTab**®, our first multi-function tablet just for children that brings all the magic of Mum's and Dad's tablets into a fun-filled learning experience that fits their active lifestyles.

InnoTab® is the next generation of learning toy for children aged 4-9 that has a rich library of cartridge software with interactive animated e-books, learning games, creative activities along with a wide variety of additional apps to download. It features a 5" colour LCD touch screen, a G-sensor for game control, as well as a USB port for downloads, SD card slot for memory expansion and a headphone jack, all housed in a stylish, durable and compact design for easy portability.

When playing with **InnoTab**®, children can look, listen, touch, and tilt their way through activities to discover a world of fun whenever they want and wherever they go. Through interactive play, your child will develop skills in reading, maths, social studies, science, music, creativity, and more—which we know is important to you.

At **VTech**®, we are dedicated to helping your children uncover their talents. We thank you for your trust in our products that encourage active minds through imaginative play.

Sincerely,

Your friends at **VTech**®

INTRODUCTION

Welcome to the wonderful world of Disney Princess, where happily ever after happens every day. Read two exciting stories or play three learning games. Then, make your own storybook about Belle's life in the castle, or create and decorate picture frames featuring different princesses.

INCLUDED IN THIS PACKAGE

1 InnoTab® cartridge – Disney Princess
1 InnoTab® cartridge user's manual

WARNING: All packing materials, such as tape, plastic sheets, packaging locks and tags are not part of this toy, and should be discarded for your child's safety.

Note: Please keep the user's manual as it contains important information.

GETTING STARTED
STEP 1: Insert the InnoTab® Cartridge

Make sure the unit is turned off. Insert the **InnoTab®** cartridge firmly down into the cartridge slot located on the back of the unit and push until it clicks into place as shown in the below image.

STEP 2: Select the Cartridge Icon

Touch the cartridge icon on the **InnoTab®** desktop.

Note: Your **InnoTab®** desktop may look slightly different from the image at right, depending on which version of **InnoTab®** you own.

STEP 3: Choose How You Want to Play

There are three categories of play: Reading, Learning Games and Creativity. Touch an icon to choose.

Reading: Read or listen to the e-book while watching the animations.

Learning Games: Play three games that focus on specific learning skills.

Creativity: Create something new with two interactive creativity activities.

Note: If your version of **InnoTab®** has a built-in camera, a camera activity will appear in the cartridge menu as a third Creativity activity. If your version of **InnoTab®** does not have a built-in camera, this activity will not be available.

ACTIVITIES

Reading

Index Page

After touching the e-book icon, you will see a story selection page. You can select a story to read.

After selecting a story, you will see an index page. You can start the story from the beginning or choose any page to start reading.

If you want to learn more about playing with the e-book, touch **How to Play**. You can also switch the e-book's vocabulary word highlights on or off by touching the **Vocabulary Highlight On/Off** icon.

Story Page

In each story page, touch anywhere on the screen to stop the story narration and enter **Free Play**. When the story narration has finished, you will enter **Free Play** mode automatically.

In **Free Play**, you can touch the words one by one to read the story at your own pace, touch highlighted vocabulary words to hear their definitions, or touch images in the art to see animations and hear fun voices and sounds. If you don't touch the screen for a while, the story narration will continue automatically to the next page.

Flick the screen left or right to play the previous or next page.

To listen to the story narration again, touch the **Replay** icon ⟲ on the screen. To go back to the index page, touch the **Index** icon ⊕ on the screen.

Learning Games

Fixing Jewellery for the Ball

Cinderella needs to repair necklaces for the Royal Ball. Flick the beads into the correct basket. Then, follow the pattern to put the beads on the necklace in the proper order!

Curriculum: Colours / Shapes / Patterns

Dancing at the Royal Ball

Keep the beat for Cinderella's dance with the Prince by tapping the music notes in time. Then, remember the steps for Cinderella's dance, and tilt the pad in the direction of the arrows in the right order to help her finish.

Curriculum: Rhythm / Memory

Pictures in the Stars

Belle wants to count the shooting stars with the Beast. Tap them to count!

Then, choose the object that Belle is thinking of.
Curriculum: Counting / Objects

Creativity

Write a Story

Belle is happily reading in the library. Create your own storybook about Belle's daily life in the castle.

Curriculum: Creativity / Language

Enchanted Album

Pick a picture frame that shows a princess and decorate it with fun objects! Put a picture in each frame and save it to the Photo Gallery, then view all of your saved pictures in a full-screen slideshow.

Curriculum: Creativity / Colours / Shapes

Photo Fun

Take photos with your favourite Princesses, or use stamps to customise and decorate your photos.

Curriculum: Creativity

Note: If your version of **InnoTab**® has a built-in camera, a camera activity will appear in the cartridge menu as a third Creativity activity. If your version of **InnoTab**® does not have a built-in camera, this activity will not be available.

SD CARD

Some early versions of the **InnoTab**® firmware do not allow you to store photos in the tablet's internal memory. In this case, you will need to insert an SD card that contains photos into the **InnoTab**® SD card slot to ensure that you have photos for the Enchanted Album activity. Alternately, if you would like to update your **InnoTab**® to allow for storage in the internal memory, please connect your **InnoTab**® to the **Learning Lodge**™ and update the firmware. See your **InnoTab**® console manual for more details on using an SD card and the **Learning Lodge**™. If your **InnoTab**® includes a built-in camera, this does not apply.

Note: If you use a photo from an SD card in the Enchanted Album activity, that SD card must be inserted in order to view your framed photo. If the SD card that contains the photo is not inserted, a blank frame will appear in the Photo Gallery.

ONLINE FEATURES

Register online to keep track of your child's learning journey with personalised recommendations. You can also connect to our **Learning Lodge™** to download great apps, games, e-books and more!

If you have not already installed the **InnoTab**® version of the **Learning Lodge™** software on your computer, go to www.vtechuk.com/download to download and install it.

CARE & MAINTENANCE

1. Keep the **InnoTab**® cartridge clean by wiping it with a slightly damp cloth. Never use solvents or abrasives.
2. Keep it out of direct sunlight and away from direct sources of heat.
3. Avoid dropping it. **NEVER** try to dismantle it.
4. Always keep the **InnoTab**® cartridge away from water.

WARNING

A very small percentage of the public, due to an existing condition, may experience epileptic seizures or momentary loss of consciousness when viewing certain types of flashing colours or patterns. While **InnoTab® The Learning Tablet** does not contribute to any additional risks, we do recommend that parents supervise their children while they play video games. If your child experiences dizziness, altered vision, disorientation, or convulsions, discontinue use immediately and consult your Doctor. Please note that focusing on an LCD screen at close range and handling touch screen or g.sensor controls for a prolonged period of time may cause fatigue or discomfort. We recommend that children take a 15-minute break for every hour of play.

TROUBLESHOOTING

Please note that if you try to insert or remove an **InnoTab®** cartridge without first turning the unit **OFF**, you may experience a malfunction. If this happens, and the unit does not respond to pressing the **ON/OFF** buttons, disconnect the AC adaptor from the main unit or remove the batteries. Then, reconnect the adaptor, or reinstall the batteries.
